

Welcome Message

It's a great pleasure to serve you with the Technical Handbook of the 26th SEA Games, Palembang-Jakarta, Indonesia 2011.

It was 14 years ago (1997) when Jakarta, Indonesia hosted the 19th SEA Games and shared joy with fellow participating countries and now Indonesia will be hosting the 26th SEA Games in Palembang and Jakarta, from November 11 to 22, 2011. As we are looking forward to welcoming all participating countries, we have been working hand in hand with the SEA Games Federation as well as International Sports Federation preparing the technical handbook for each sports agreed during the SEA Games Federation Executive Committee and Council held in Nusa Dua, Bali, last February 2011.

We truly hope to deliver each sport at the highest level possible for participating countries' best athletes to display their talents. We also would like to provide the best service possible to ASEAN and International Federations (AFs/IFs) to assist their officials in carrying out their functions, supporting the athletes, and managing the sports competitions and to also implement the rules and regulations of the AF's and IF's. Lastly, we will deliver our very best to fulfill all our obligations to the SEA Games Federation.

With just over months remaining to complete our preparations for hosting the 26th SEA Games, we are pleased to present you with this Handbook and look forward to welcoming you all in Palembang-Jakarta in November 2011.
