

Welcome Message

It's a great pleasure to serve you with the Technical Handbook of the 26th SEA Games, Palembang-Jakarta, Indonesia 2011.

It was 14 years ago (1997) when Jakarta, Indonesia hosted the 19 th SEA Games and shared joy with fellow participating countries and now Indonesia will be hosting the 26th SEA Games in Palembang and Jakarta, from November 11 to 22, 2011. As we are looking forward to welcoming all participating countries, we have been working hand in hand with the SEA Games Federation as well as International Sports Federation preparing the technical handbook for each sports agreed during the SEA Games Federation Executive Committee and Council held in Nusa Dua, Bali, last February 2011.

We trully hope to deliver each sport at te highest level possible for participating countries best athletes to display their talents. We also would like to provide the best service possible to ASEAN and International Federations (Afs/Ifs) to assist their officials in carrying out their functions, supporting the athletes, and managing the sports competitions and to also implement the rules and regulations of the AF's and IF's. Lastly, we will deliver our very best to fulfill all our obligations to the SEA Games Federation.

With just over months remaining to complete our preparations for hosting the 26th SEA Games, we are pleased to present you with this Handbook and look forward to welcoming you all in Palembang-Jakarta in November 2011.

RITA SUBOWO

3.Accommodation

The accommodation will accommodate all the athletes and team officials of the Sea Games for a period of 12 Days, from 11 to 22 November 2011. An additional pre-opening period of 7 days has been scheduled from 4 until 7 November 2011 to enable the Chefs De Mission of the NOC's to complete the administrative matters prior to the arrival of their teams.

The accommodation for all the athletes and team officials will be classified as in South Sumatera will be accommodated in the Athletes Village while in Jakarta will be in hotels.

4.Accreditation

4.1.Process

The organization of a great sporting event, such as the SEA Games, necessitates strict access control to all official INASOC venues, zones, and areas. This will be achieved through ticket allocation to spectators and by accreditation to athletes and those with official job function.

Every approved responsible organization will complete the accreditation application process on behalf of its delegation, including the receipt and distribution of the appropriate accreditation cards to each participant before travelling to Palembang, South Sumatera and Jakarta. Upon arrival in Palembang, South Sumatera and Jakarta, participants must validate their cards (see Validation).

All participants must be accurately registered and duly accredited through the INASOC accreditation process in order to take part in the SEA Games.

4.2.Validation

Participants must present their accreditation cards, accompanied by either a valid passport, National Identity Card (Indonesian nationals), or other approved means of identity to the validation desk at the Palembang, South Sumatera and Jakarta International Airport or at an INASOC primary accreditation centre as specified in the Accreditation Manual.

Validation involves:

- electronic activation in the accreditation system; changing the card status to 'live'
- physical activation; changing the card appearance to distinguish it from non-valid cards.

4.3.Lost, Damaged, or Stolen Cards

Lost accreditation cards must be reported immediately to the approved authority of the responsible organization. The approved authority concerned must then apply to INASOC for a replacement card, stating the circumstances of the loss. A replacement card will only be issued with the approval of INASOC.

Lost damaged or stolen cards will be cancelled immediately and will not be reactivated: even if recovered.

5.Transportation

A comprehensive transport system for athletes, team officials and technical officials will be available exclusively for the SEA Games. This will include:

- arrival service from Palembang, South Sumatera and Jakarta International Airport to the accommodation
- regularly scheduled shuttle service from accommodation to official competition and training venues
- dedicated service to opening and closing ceremonies
- dedicated service to all official functions and/ or meetings
- departure service from the accommodation to Palembang, South Sumatera and Jakarta International Airport

Buses will provide the following services.

Transportation services for the sports delegation upon arrival and departure

Providing shuttle bus for delegates to and from matches / training of hotel

Special vehicles for NOCs

Provision of Transport for the Opening Ceremony and Closing Ceremony.

Transport Provision for Special Events

Provision of Transport for NOCs in attending a Special Event

Transport Provision for Official activities

Transport Provision for Technical Officials, VIPs and media.

Provision of Transport for INASOC.

6.Uniforms

INASOC will provide all technical officials, staff members and volunteers with appropriate attire and uniforms.

A sizing form will be sent in advance to all parties concerned. Forms must be returned and received by INASOC before the given deadline to ensure availability.

The uniforms will be distributed at the main uniform and accreditation centre after collecting the accreditation.

7.Medical Services

A first aid and emergency first response medical service will be provided during the South East Asia Games to any person requiring medical assistance. This service will operate in official SEA Games competition and training venues during official operating hours. This service will comprise a dedicated medical team supported by an ambulance service.

8.Sports Information Centre

One main sports information centre will be located inside the Accommodations and a sports information desk will be located in each of the competition venues.

9.General Weather Conditions

As a tropical countries, Indonesia only has two (2) seasons which are rainy and dry season. During the month of October until December will be rainy season. The average daytime temperature is between 29 – 32 degrees celcius. In general, the weather is perfect for achieving the best competition results.
